About This Game

Nelly Cootalot

Join Nelly in this point and click adventure, and rescue birds hypnotised by the villainous Baron Widebeard. Meet a hilarious cast of characters including Tom Baker (Dr Who) and explore a hand-drawn world created by award-winning comedian Alasdair Beckett-King.

- Race aristocrats for fun and profit.
- Commandeer an ancient airship.
- Enter the mind of a monkey wizard.
- Borrow moonshine from a surly Viking.
- Wantonly misuse the word 'borrow'.

What is Baron Widebeard planning? Can he be stopped? In what way is a frozen volcano involved?

To answer these questions comes Nelly Cootalot: pirate heroine and defender of endangered and adorable creatures. Nelly's journey will take her from Port Rubicund in the South Seas to the lonely isle of Gloomholm in the icy north. She'll encounter outlandish characters and face perplexing challenges in her quest for the Treasure of the Seventh Sea.

Features

- Full Voice-Acting in English & German.
- A script that will amuse and delight whether you are 9, 19 or 90. (But ONLY those ages.)
- Art & Animation in glorious High Definition.
- Puzzles that will tax the world's greatest minds, if they're having an off-day.
- Over 45 Unique Characters & 35 Locations.
- Quaint British spellings = extra letters for free.
